

Create student account in CogRead for the Gibson Test and Brain Training access.

Step 1: Go to <https://www.cogread.com/login.html>

Login options: Please select the button below based upon the task you need to complete.

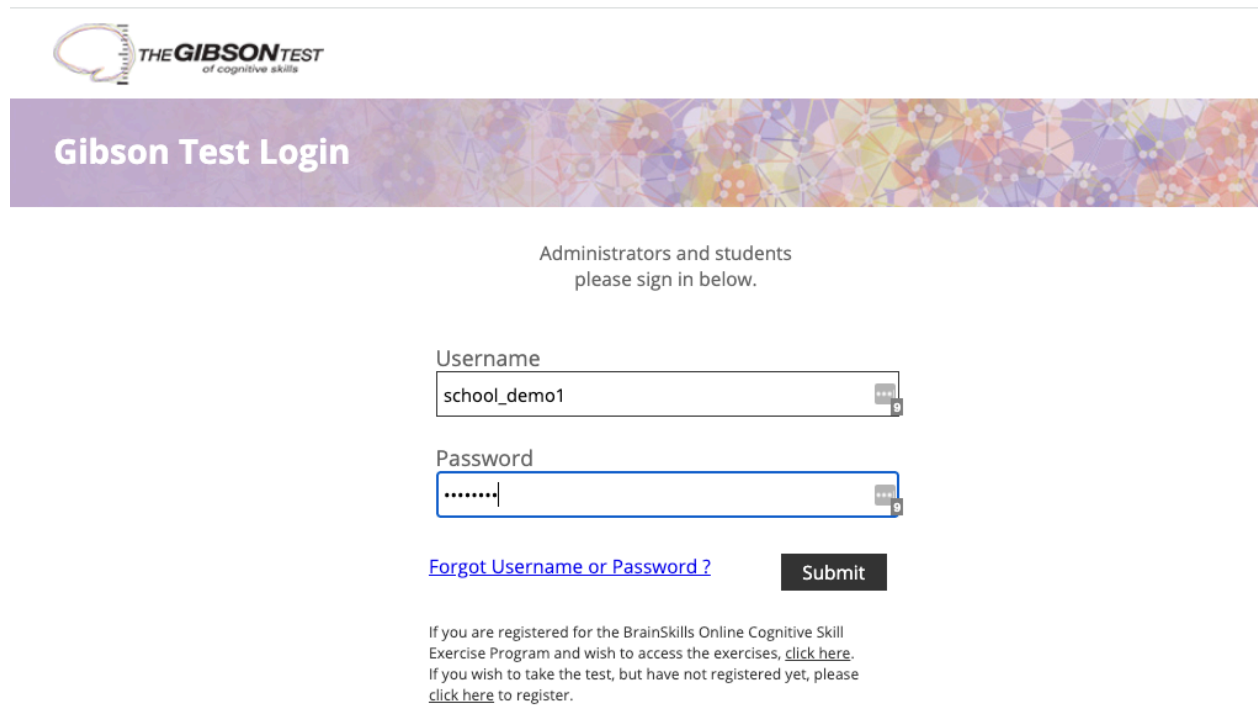

<p>ADMINISTRATORS</p> <p>Access your administrative account to manage students</p> 	<p>ASSESSMENTS</p> <p>Students, click here to access your student homepage where you can begin an evaluation</p> 	<p>TRAINING</p> <p>Students and administrators, click here to access the online training programs</p> 
<p>REGISTER</p> <p>If you need to register as an individual to take the Gibson Test, and you have been provided a registration code, please select this link to register. Then return here as needed to login to your account to take the assessment.</p> 		<p>Additional training resources</p> <ul style="list-style-type: none">• Eye Can Learn Exercises• Pattern Recognition Exercise

Step 2: Select the Administrators Icon.

This will take you to the login website for the programs.

<https://gcstest.com/evaluation/login.php>

Step 3: Enter the login information that has been provided to you.

The Gibson Test logo is at the top left, featuring a stylized brain icon and the text "THE GIBSON TEST of cognitive skills". Below the logo is a purple banner with the text "Gibson Test Login".

Administrators and students
please sign in below.

If you are registered for the BrainSkills Online Cognitive Skill Exercise Program and wish to access the exercises, [click here](#).
If you wish to take the test, but have not registered yet, please [click here](#) to register.

The next screen is the administrative control panel.

The interface is titled "CogRead PASS Program Administrative System" with a copyright notice "© 2008 – 2020 The Gibson Test, Inc. All Rights Reserved." below it.

On the left is a "Groups" sidebar with a tree view containing "School_demo1".

The main content area is titled "Group" and shows "School_demo1 [school_demo1]". It has three links: "Add Student", "Add Admin", and "Add Group". A red arrow points to the "Add Student" link.

Below the links are tabs: "Summary", "Detail", "Students" (selected), "Admins", "Sub-Groups", "Reports", "Products", and "Transactions".

Under the "Students" tab, there is a "Filter:" field, two checkboxes "Include sub-groups" and "Include inactive", and the text "No students in selected group." Below that are navigation links: "First Prev Page 1 of 1 Next Last".

Step 4: Click on the link to [Add Student](#).

When the pop-up window first appears, you may have to grab the top of the form and pull it up to see the full form. Make sure you can see the submit button on the form.

The screenshot displays the 'CogRead PASS Program Administrative System' interface. The main window shows a 'Group' view for 'School_demo1' with tabs for 'Summary', 'Detail', 'Students', 'Admins', 'Sub-Groups', 'Reports', 'Products', and 'Transactions'. The 'Students' tab is active, showing a filter and a message: 'No students in selected group'. A 'New Student' pop-up window is overlaid on top, containing a form with the following fields:

- User ID: (required, indicated by a red bar)
- User ID 2:
- Group: School_demo1 [school_demo1]
- Password: (required, indicated by a red bar)
- Status: Active
- First Name: (required, indicated by a red bar)
- Last Name: (required, indicated by a red bar)
- Guardian First Name:
- Guardian Last Name:
- Gender:
- Birthdate: MM/DD/YYYY or DD-MM-YYYY
- Age:
- Email:
- Address:
- City:
- State:
- ZIP:
- Country:
- Phone:
- LRx Student:
- Testing Language: English
- Native English:
- Race / Ethnicity:
- School type:
- Grade:
- Occupation Status:

At the bottom of the 'New Student' form are 'Submit' and 'Cancel' buttons. A note at the top of the form states: 'Fields with a red bar are required. Scroll down to see all fields.'

Step 5: Enter the data and hit the submit button.
Fields with the red bar are required.

Step 6: Once the student record is created, click on the Students tab to see the student listed.

Once the student account has been created and the products are available, the student can login to take the Gibson, and as appropriate login to do the training.

Students would go back to the same CogRead login page and select the Assessments Icon to take the Gibson Test and the Training Icon to begin the training.

Go to <https://www.cogread.com/login.html>

Login options: Please select the button below based upon the task you need to complete.
